

J29 Hope Donation Needs

The donated items will be used as incentives to participate in parenting classes, financial literacy, resource fairs and community involvement.

J29 is a collection of like-minded individuals who are being called together to come alongside the disadvantaged in Fort Wayne, Gary, and East Chicago. We are an official not-for-profit organization. For the last several years our efforts have been focused on the residents of different section 8 housing apartments. These areas are known for poverty, addiction, and violence. Many of the people living there are the product of generational situations. They only know what they have always known. But, we want them to know that they can have a future that moves beyond their past and is different than their present.

We hope you will join us in our pursuit of making
Jesus known in each of these communities!
